Luke and Carlos

Luke and Carlos are best friends. They're the same in many ways but different in other ways.

They've always lived on the same street.

They're both in the second grade. You'd be surprised to know that they each have an older sister and a younger brother. You've probably seen them ride their bikes together. I've seen them play video games together too.

They'd like to think that they're the same all the time, but they're not. Luke belongs to a soccer team. He'd rather play soccer than any other sport. Carlos is on a baseball team. I'd guess that he's the best player on the team. Carlos says he won't ever play soccer. Luke says he won't ever play baseball.

The boys admit they'd like to play a sport together. But they don't know if they would both like the same sport.

Luke says, "We'd like to try playing basketball on the same team. We're both ready to try it this year. I hope it works out."
